Coles College of Business

Marketing and Professional Sales Minor – Faculty Rep: David Burns

Also present to rep: Jennifer Hutchins, dept. curriculum chair.

Proposal	Action & Proposal Type	Discussion	Status
Sports Entertainment Marketing Minor	Program Name, Catalog Description, Program Requirements, Electives	Michelle brought up concerns with the selection of courses in the required course field. There was confusion regarding the requirement of the Hospitality course over the Entertainment Course, based on the name of the program. In the Executive Committee meeting, Paul Parker had suggested that this should be a new minor. Anissa Vega had previously said it's fine to move forward with these changes. Paul chimed in to say that when he brought this up, the department told him they would be creating a new minor.	

		<p>David Burns clarified that the information in this form needs to be simply moved into a “new minor” form. Anissa stated that she doesn’t want the department to have to redo the proposal if all of the info is correct. She kindly requested that Paul and the Registrar treat the proposal as a NEW MINOR and NOT deactivate the current Minor until that proposal comes through.</p> <p>The department will follow up with a Deactivation of the old minor.</p>
