**Graduate Program Coordinators Workshop**

**Overview:**  The Graduate Program Coordinators Workshop is an intensive academic leadership development program designed to support for faculty charged with leading graduate programs.  The 4-day workshop equips new program coordinators to successfully sustain and grow their respective programs.  Session topics include:

- -The Graduate College 101: The Players, Processes, and Plans
- - From CIP to FERPA: What You Must Know as a Graduate Program Coordinator
- -Who Pays for This?
