All requirements for a master's degree must be completed within six years (ten years for doctoral degree, however, check for program specific requirements), beginning with the first registration in graduate-level classes following admission to the program. By completing this form, you are asking for an exception to this policy. Before requesting an extension for time to degree, all students are advised to consider the effects of an extension. It is extremely important to talk with your academic advisor prior to completing the form.
